## January

January Peace Prayer ©2010 Rev. Theresa Helton (Moonraven)

Blessed Divine Parents,  
Most beloved Lord and Lady,  
we request your presence and guidance  
in our circle as a blessing  
of our efforts to raise power for Peace.

As the Wheel of the Year turns  
we find ourselves at the dawn of  
a new decade.

We see this as a chance to further  
grow as Peaceful beings and to share  
our Peace with our family of mankind.

We pray this prayer as a blessing  
and a wish for the light of compassion  
and love to shine within the hearts  
of all beings; that we may each  
see the precious gift that is the  
Lord and Lady within.  
For this is our Peace.

Bless the Peace workers of the  
world who come from all faiths  
and walks of life, just as we do.

In the meaning of Namaste,  
may we honor that place in each  
of us where the entire Universe dwells.  
May we honor the place in one another  
which is of love and truth,  
and of light and peace.  
When we are each in that place within ourselves,  
we are One.

May Peace continue to grow and spread  
from heart to heart, being to being,  
like a gossamer web  
until the planet shimmers with Peace  
and Love for eternity.

As above, so below.  
As within, so without,  
and so it is with Peace.

In gratitude for all things,  
and for Your Divine presence here with us.  
Blessed Be Peace on our planet and in our world.  
In perfect love and perfect trust and perfect Peace.  
May the Blessing be upon all!  
So Mote it Be.

Peace Prayer for January, Yr. 11 Aquarius

Divine Lord and Lady  
Parents of all creation  
We call upon you now to bless  
our efforts and this circle  
to your service as weavers of Peace.

The year begins anew  
the wheel of time turns.  
We are the ones we have been waiting for.  
We gather together in prayer and  
circle to raise power for Peace.

From our hearts, we stir the cauldron of love.  
From our hearts, we send love as harmony.  
From harmony, we empower Peace.

May the music of Peace flow continuously  
and fully to all that exists.  
May the beauty of its sound caress the ears of every being  
and may it sing from every heart.  
May the music of Peace fill the empty hearts with love.  
And may the empty places of the world be filled  
with Love that Peace may prevail.

Bless all who give love and weave Peace.

Bless all with abundance and prosperity,  
Radiantly good health and well-being.  
May all blessedly know Peace.  
So Mote it Be!

## February

Peace Prayer for February Year 11 Aquarius  
Given by Rev. Theresa Helton (Moonraven)

We come before you,  
our blessed Divine Parents,  
Mother and Father Godde,  
requesting your presence and love  
in our circle of Peace.

It is the time of the turning of the wheel of the year  
and we prepare to re-awaken ourselves  
to the wonders and the beauty of the season.

We continue to raise energy for Peace  
in our prayers and workings each in our own way, together.  
We strive to be examples of Peace and Love  
for all we meet.

In our hearts we nurture our inner Peace,  
sharing it freely with all that exists,  
knowing that true and lasting Peace  
comes from the Love within which is Your gift to all.

May we, by example, honor You with  
our efforts at sharing our love and Peace.  
May Peace radiate from our loving hearts.  
May the light of Peace touch the hearts of all beings.

In Peace, from Love, we pray for the healing of the bodies, hearts and minds of our loved ones and all  
beings.

We send you, our Divine Lord and Lady, our  
deepest love and gratitude for all your blessings.  
With Love, Peace and healing to all...So mote it be!  
Blessed Be!

February Peace Prayer...Given by Rev.Theresa Helton (Moonraven) ©2010

Blessed Lord Godde and Lady Godde,  
We invoke your presence here  
as we send energy for Peace.

We know that Peace, as it is Above, is true and perfect,  
And that we can co-create it in our world.

As above, so below.

We recognize the need to strengthen  
our inner Peace that we may  
insure Peace without.  
As within, so without.  
This is our purpose.

We raise personal power for Peace.  
We claim Peace for ourselves.  
We send Peace to our world.  
We embrace our planet with Peaceful energy,  
And it is so.

From heart to heart  
we connect our web of Peace  
and share it with the world.  
As Correllians devoted to the  
promotion of Peace, we raise our power  
as One and honor our Ancestors  
with our Peaceful endeavors.

We bless the children of the future  
with our efforts on behalf of Peace.  
May they know a world without boundaries  
and a freedom that only true Peace can bring.

May our Light of Peace shine for all to experience.  
May we continue to embrace the Earth in our  
Web of Peace and may we continue to hold that energy.

With Peace comes the freedom to  
live as our Blessed Lord and Lady have intended,  
In perfect love, perfect trust, and perfect Peace.  
We claim it...and it is so.

In gratitude for Your presence and for your many blessings.  
May the Blessing be upon all.  
Blessed Be Peace...So Mote It Be.

## *March*

March Peace Prayer Given by Rev. Theresa Helton (Moonraven) © 2010

Divine Parents, source of all that is  
we request the honor of your  
presence in our magickal circle  
of prayer for Peace.

Where we openly share  
the peace within ourselves  
with our world and our planet,  
may we also recognize the need  
to open ourselves to the Peace  
that exists and radiates from  
You, our Divine Source.

There is Peace in the Universe,  
Our awareness is drawn to it.  
We know that it is your gift to us.

We recognize that our  
prayers and magickal energies  
work to enhance the Peace that is,  
and that as we pray we continue  
to strengthen the naturally existing  
web of Peace that embraces our  
world and our planet.

We pray that all beings will re-awaken to this  
naturally occurring Peace that  
resonates from all that is.  
It is the breath and essence of  
our Divine Lord and Lady.  
It is the spark of life and love  
that resides in all things.

May the Peace and love that resonates as the  
aura of the Universe, also resonate in  
our aura as well.

May we honor the Goddess and God  
by recognizing it and opening our senses  
to its presence everywhere we go.

May we strive to 'sense' this Peace that

dwells without...as well as cultivate the Peace  
which resides within.  
In so doing, we share Peace with our world  
and our planet.

May our continuing Prayers for Peace  
spread like seeds in the garden that is Earth.  
May they grow and bear fruit to feed the  
masses who hunger for Peace.

In gratitude for your presence and  
guidance.  
May the blessing be upon all! So Mote It Be! Blessed Be Peace!!

Peace Prayer for March, Yr. 10 Aq.-Given by Rev. Theresa Helton (Moonraven)©2010

### **Peace Heart Prayer Spell**

You will need your wand for this Prayer Spell.  
If you do not have a wand, you may use the index finger of your power hand. Though this is a prayer and  
a circle is optional,  
you may perform this Prayer Spell in circle if you like by  
closing and opening it as is your custom.

The intention: To awaken awareness of Peace through Love in all beings.  
Keep this as your focus throughout the working.

Holding the Kell and Fondle (the handle)  
of your wand between your palms with its Steck and Lants (body)  
pointed upward, say:  
"Blessed Lord and Lady,  
Our Divine Parents, we invite your presence  
as we gather in prayerful working  
for Peace through Love.  
Bless our circle with your loving Light."

You will be 'drawing' the Peace Heart symbol in the air before you  
with your wand. It can be small or as large as you choose.

### **The Peace Heart Symbol**

1. Pointing your wand directly in front of you,  
trace a heart shape whose color is rich emerald green.  
Beginning in the middle, forming the hump to the right  
and down to the bottom point (center tip), then  
upward toward the left and forming the left hump

and connecting the heart shape in the center  
between the two humps (center point).

Now, visualizing your green heart shape in front of you,  
you will be tracing a Peace symbol in the center of the heart.

Using your wand, trace a radiant pink line starting  
at the top center point (between the two humps)  
going down to connect with the bottom center tip.  
(The heart now has a straight line down its center.)

Next, at the middle point of the center line trace the two arms  
of the Peace symbol. You now have a Peace Heart symbol  
(a green heart with a pink Peace symbol in the center).

Note: the green of the heart represents the color  
of the heart chakra and the pink of the Peace symbol  
represents the color correspondent related to love.

Say:

***"From the love within comes inner Peace. I share these  
freely with all. In perfect love and perfect trust may  
the harmony of inner Peace prevail in all hearts.  
May we Blessedly Be Peace through Love."***

2. Now, with your wand, trace a blue circle  
(the color of Peace energy) clockwise around  
the Peace Heart symbol and make a light tap,  
like a flick, in the center of the big circle  
and as you tap, Say:

***"As I will, with harm to none,  
for the highest good of all concerned,  
So Mote It Be!"***

You have now released the 'Peace Heart' energy to the Universe.

You may now close your circle if you opened with one,  
or you may close with the following prayer of gratitude:  
Holding your wand between your hands as before, Say:

***"In gratitude for Divine presence  
and guidance, may true Peace prevail.  
May all hearts be as one. In perfect Love and perfect Peace.  
Blessed Be."***

## April

Prayer Spell for the month of April, Year 10 Aquarius  
Given by Rev. Theresa Helton (Moonraven)© 2010

We are united in Peace  
in the fullness of our  
Love as Your children, blessed Lord and Lady.  
And so it is that we ask Your  
Divine blessing on our work  
as Weavers of Peace.

The prayer spell we now cast  
we empower through the  
invisible bond we strengthen  
as we hold hands across the miles.  
Our circle is cast in our hearts,  
united as one... in perfect love...  
and perfect Peace,  
and in the sharing of this energy.

Our cone of power we raise in honor of  
the Ancestors who have shown us the way of Peace;  
In honor of Our Divine Parents who are eternal Love and Peace;  
In honor of our children who are the future of Peace.  
We hold our energy in Love...

We release this spell as as a breath...  
With our magickal breath we inhale and empower it with  
Love...  
With our magickal breath we exhale and release it as...  
Perfect Peace.  
And it is so.

May the web of Peace grow stronger and  
touch every heart.  
May perfect love and perfect Peace radiate  
from all beings.

With gratitude to our Lord and Lady,  
The circle is open but never broken.  
As we will, so mote it be!  
May the blessing be upon all!  
Blessed Be Peace.

Blessed Lord and Lady  
Honor us with your presence  
in our Circle as we  
raise power across the miles.

In a world that is in turmoil  
we visualize a lasting Peace  
that begins within each being.

We claim that Peace for all  
and manifest it within our lives  
and share it with those we meet  
and those we pray for.

We live each day from love  
knowing that the joy it  
brings will further enhance the  
Peace we weave.

We raise our hands in your honor  
for the blessings that flow from  
your bounty to all that is.  
We claim abundance, prosperity,  
healing for all your children,  
and it is so.

In gratitude for Your presence,  
Love and many blessings.  
May we all give love and in so doing  
feel deep joy and thereby know true Peace.

May the blessing be upon all!  
So mote it be!

## May

Peace Prayer Spell for May, Year 10 Aq.  
©2010 Rev. Theresa Helton (Moonraven)

As children of the Universe  
and beloved of the Lord and Lady,  
We gather in circle, in spirit, to raise our  
joined hands across the miles  
for Peace within all  
beings and thus within our world.

(Visualize the Peace you are sending as seeds in your hands and see yourself  
tossing them to the stars)

We sow our seeds of Peace in the starry gardens  
of the Universe to grow and illuminate every heart with Peace.

We gather our love from deep within to fertilize them  
with this thrice chanted charm:

*“(Inhale) Love within...(exhale) Peace without.  
(Inhale) Love within...(exhale) Peace without.  
(Inhale) Love within...(exhale) Peace without.”*

A seed of Peace for every star, a star for every heart.  
May the light of love shine upon every being and light  
their hearts with love that they may know perfect Peace.

May the eyes looking for illumination see the stars  
and recognize the natural Peace enhanced by the love  
and blessings of the Creators of Peace, our Blessed Divine  
Parents.

May all beings recognize the Peace shining from hearts filled  
with love, and know that this is divine nature.

From our hearts to all hearts,  
Perfect love, perfect trust, perfect Peace!  
Blessedly Be Peace!  
So Mote It Be!

May the blessing be upon all!

## *June*

Peace Prayer Rite-Given by Rev. Theresa Helton (Moonraven) © 2010

Divine Lord and Lady Godde,  
Parents of our hearts.  
We request your presence in  
our circle as a blessing for Peace  
and the resolution of conflicts between nations.

We stand in circle across the miles  
united in one goal, Peace.  
We raise our hands together and direct  
the energy of Peace to the four directions.

From Spirit (raise your hands above your head as if receiving and then say):  
"Peace flows from the Lord and Lady to blend with my inner Peace and we  
are One in Peace!"

To the East, (Face east and say:) "Peace from within to all that is!"  
To the South (Face south and say:) "Peace with passion to all that is!"  
To the West (Face west and say:) "Peace from love to all that is!"  
To the North (Face north and say:) "Peace with healing to all that is!"

Where there is conflict between nations  
and individuals in our world,  
May love light all hearts.  
From Love, may Perfect Peace blossom in each heart.  
From Perfect Peace may Perfect Unity reside globally.  
May all who work to restore Peace be blessed.  
May those abroad be safely returned home.

In Perfect Love and Perfect Peace  
Our circle remains unbroken  
as we work together  
In the flow of unity and Peace.

May the blessing be upon all!  
So mote it be! Peace.

Peace Prayer Given June 2011- by Rev. Theresa Helton (Moonraven) © 2011

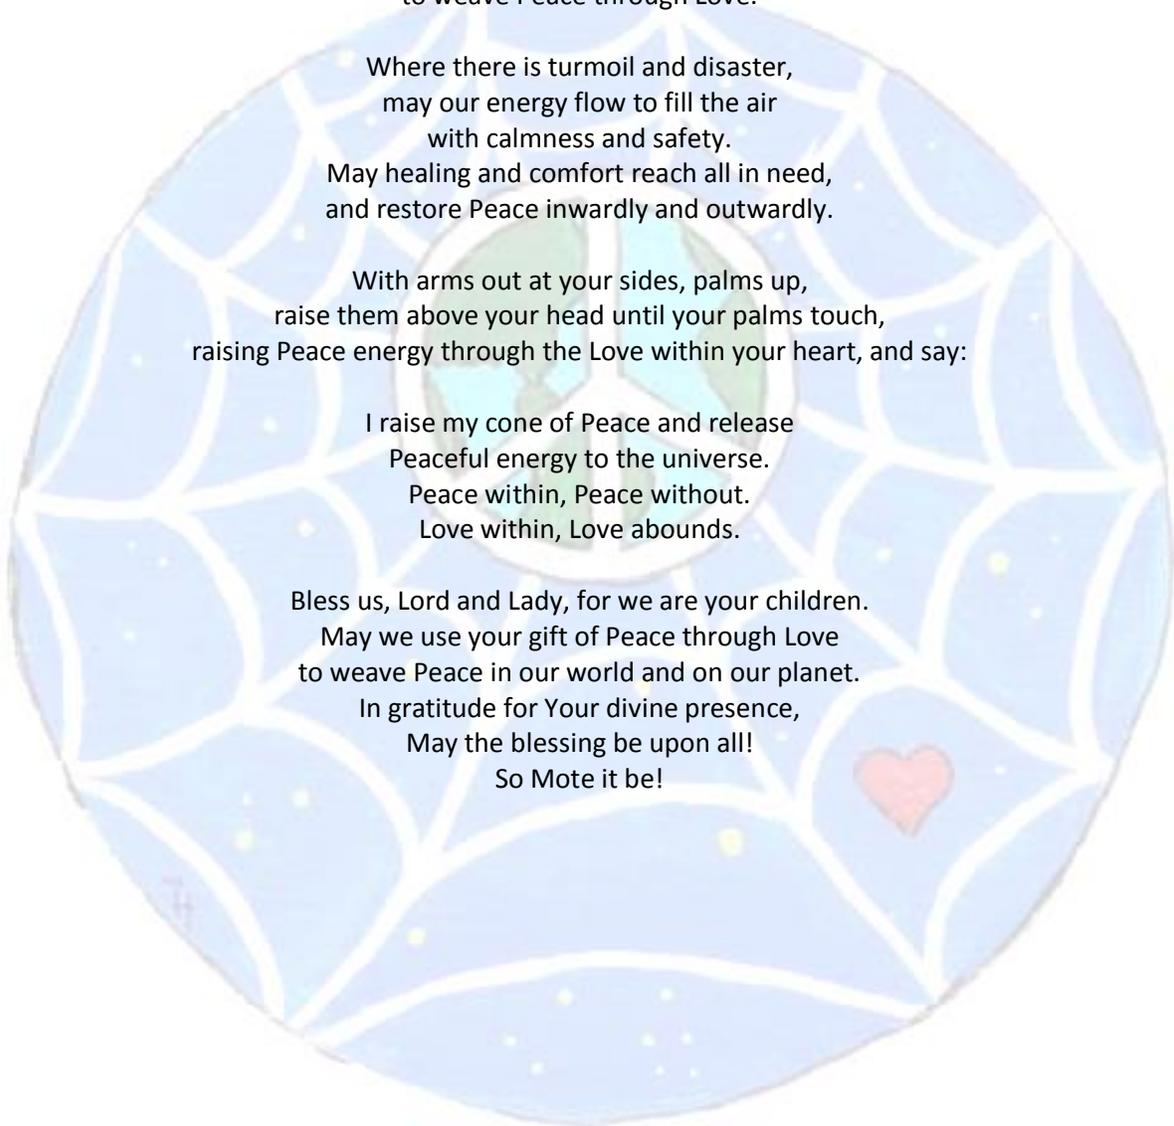

In the light of Your divine presence,  
Divine Lord and Lady,  
It is with love in my heart,  
and unity of purpose,  
at I come together with  
my brothers and sisters of Light,  
to weave Peace through Love.

Where there is turmoil and disaster,  
may our energy flow to fill the air  
with calmness and safety.  
May healing and comfort reach all in need,  
and restore Peace inwardly and outwardly.

With arms out at your sides, palms up,  
raise them above your head until your palms touch,  
raising Peace energy through the Love within your heart, and say:

I raise my cone of Peace and release  
Peaceful energy to the universe.  
Peace within, Peace without.  
Love within, Love abounds.

Bless us, Lord and Lady, for we are your children.  
May we use your gift of Peace through Love  
to weave Peace in our world and on our planet.  
In gratitude for Your divine presence,  
May the blessing be upon all!  
So Mote it be!

## July

Given by Rev. Theresa Helton (Moonraven) © 2011

This prayer spell involves a living circle which will stay with you as long as you desire. When you wish to release it, simply say: "I now open the circle of the Trinity of Peace. The circle is open but never broken." The image of the circle was given to me in meditation and represents the Trinity Circle and the eternal flow of Love, Joy and Peace-in unity.

The daily working of this spell is an empowerment to Love, Joy and Peace. As members of the Order of Peace Weavers and the Peace Weavers group, we foster the finding the Peace within in order to see it prosper in our world, without. I hope you will enjoy this prayer spell. You will need your wand or you may use the index finger of your power hand (writing hand).

Blessedly Be Peace, Rev. Theresa.

### **The Triad of Peace. A Prayer Spell.**

Invocation:

*"Blessed Lord and Lady,  
I seek your presence here  
to further empower this Peace prayer spell.  
May your blessing be upon us as we  
commit our united energy to this spell working,  
With harm to none, for the highest good of all concerned.*

From Love we experience Joy,  
from Joy we are Peace.  
Like a continuing circle,  
One flows to the other.  
When we realize one, the others flow.  
May all awaken to the Triad of Peace."

(Begin spell.)

Raise your wand and present it to Spirit above. Say:

*"I cast the Triad of Peace to be,  
the change in the world I wish to see.  
I am this circle when it is complete,  
and share this blessing with all I meet."*

Now point your wand at your feet (Love). Say:  
*"The circle of Peace begins with love. I am the Love I wish to see."*

Now as if drawing a circle move your wand deasil (clockwise) pointing to just above your left shoulder.

At the "10 o'clock" position (Joy) Say:  
*"From love to joy the power grows. I send my joy for all to know."*

Now bringing your wand deasil (over your head and to the right) point at the "2 o'clock" position and  
Say:

*"From within me Peace does glow. To all that is I let it flow."*

Continue around back down toward your feet (6 o'clock position). Say:

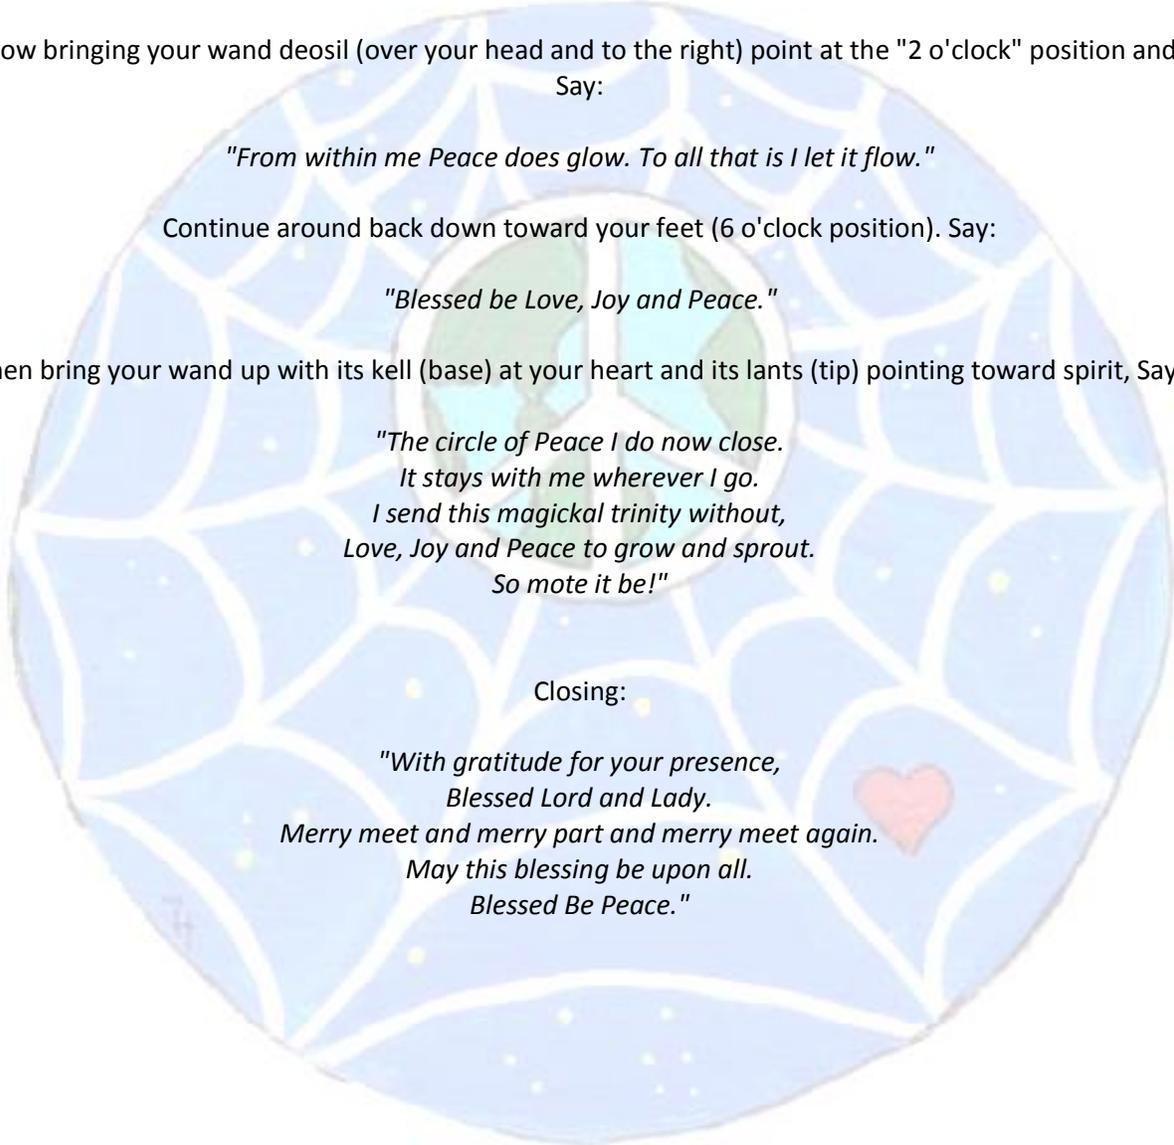

*"Blessed be Love, Joy and Peace."*

Then bring your wand up with its kell (base) at your heart and its lants (tip) pointing toward spirit, Say:

*"The circle of Peace I do now close.  
It stays with me wherever I go.  
I send this magical trinity without,  
Love, Joy and Peace to grow and sprout.  
So mote it be!"*

Closing:

*"With gratitude for your presence,  
Blessed Lord and Lady.  
Merry meet and merry part and merry meet again.  
May this blessing be upon all.  
Blessed Be Peace."*

We ask your presence,  
Blessed Lord and Lady,  
Our Divine Parents.

May all hearts awaken to  
Peace within, from the heart,  
From Love.

May we live our Peace.

Living Peace through love.

It is within our power,

August Peace Prayer  
Order of Peace Weavers

Blessed Goddess and God  
Source of all and the Oneness  
we share, we invoke your  
presence here as we gather  
in prayer sending positive  
energy toward Peace in our  
world and on our planet.

May we work our magick  
toward the vision of a world  
without boundaries where all  
live in Peace and harmony.

Blessed be those who gather  
in prayer and meditation,  
focused upon global Peace  
and the promotion of unity  
and respect for all beliefs.

May the energy we send in  
our prayers waft over the  
planet like a silken web  
and may it touch the hearts  
of all beings with the strength  
of our love and the vibration  
of Peace in harmony.

May we each be a light on the  
path of Peace and a beacon of  
love and joy.

May we always honor You and our  
calling to Your service as  
weavers of Peace.

Merry we meet, and merry we part,  
and merry may we meet again, in  
perfect love and perfect peace.

In gratitude to Our Divine Source  
for your presence.

## *September*

Sept 2009-Given by Rev. Theresa Helton (Moonraven)© 2009

Most Blessed Mother Goddess  
and Father God,  
We invoke your presence here  
as we gather to co-create  
Peace through our Blessed Oneness.

Blessed may we be in  
nurturing the Peace within  
ourselves that we may  
begin to share it with  
our family of mankind.

In Perfect Love and  
Perfect Trust we stand  
together as Correllians  
and as a family sharing  
compassion and love in  
Peaceful harmony and sending  
this glorious energy out to  
the Universe.

We see a time when  
the worry and stress  
of disharmony are a thing  
of the past and we  
claim it as being so.

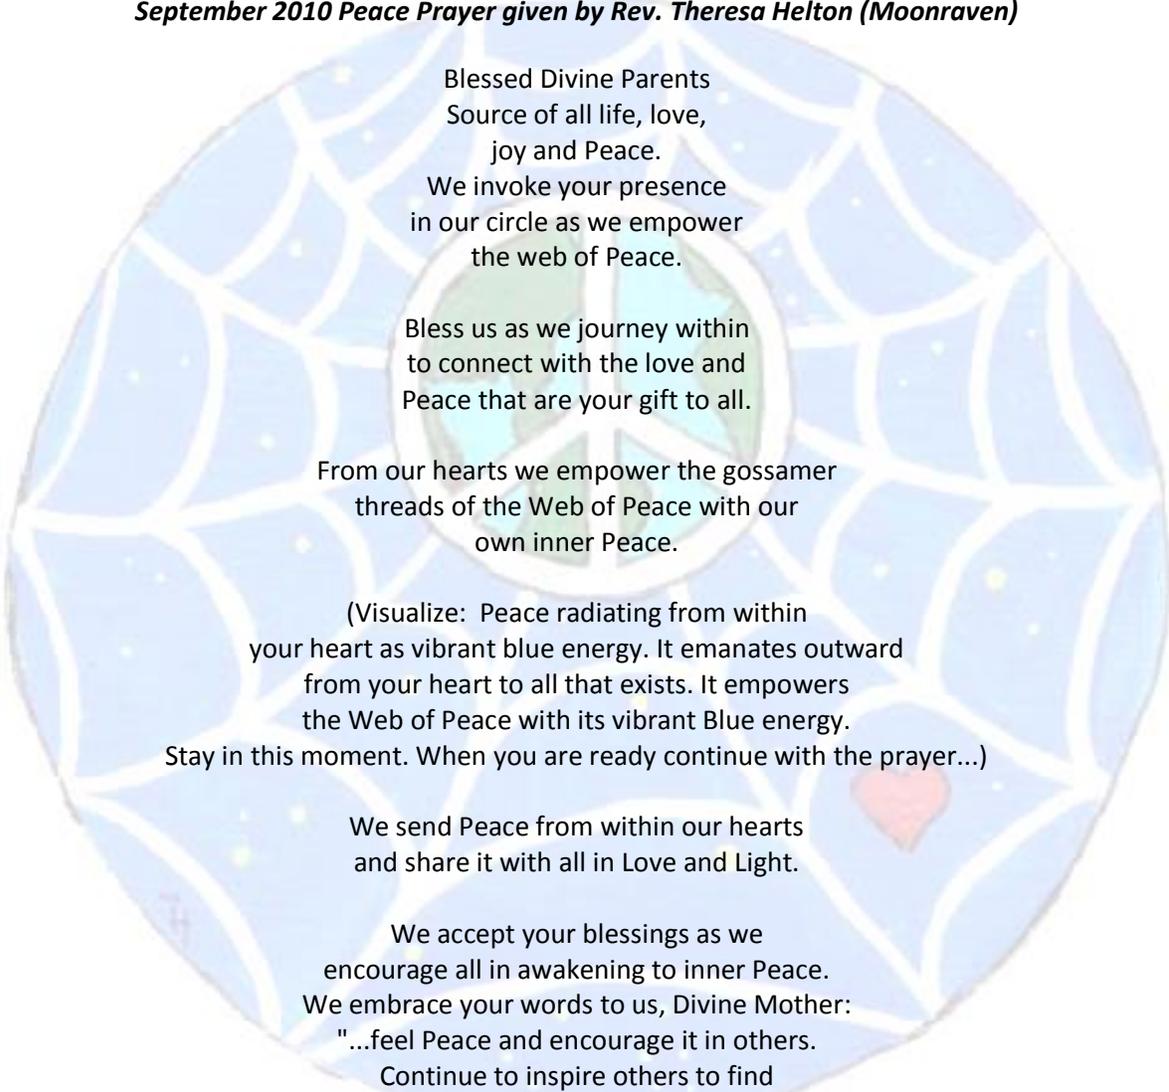

We see a time when Oneness  
will dwell within the hearts  
and minds of all and we  
know that it is so.

As Peace and Harmony dwell  
Above, so it shall be below.  
As Peace and Love dwell  
within, so it shall be without.  
We claim this for our world  
and our Planet and it is so.

We Bless all who pray, as we do,  
for Peace and Healing of our  
planet and our fellow beings.  
We pray for unity of all beliefs.

Merry we meet, and merry we part,  
and merry may we meet again, in  
perfect love and perfect peace.  
In gratitude to Our Divine Source  
for your presence.  
May the Blessing be upon all.

***September 2010 Peace Prayer given by Rev. Theresa Helton (Moonraven)***

Blessed Divine Parents  
Source of all life, love,  
joy and Peace.  
We invoke your presence  
in our circle as we empower  
the web of Peace.

Bless us as we journey within  
to connect with the love and  
Peace that are your gift to all.

From our hearts we empower the gossamer  
threads of the Web of Peace with our  
own inner Peace.

(Visualize: Peace radiating from within  
your heart as vibrant blue energy. It emanates outward  
from your heart to all that exists. It empowers  
the Web of Peace with its vibrant Blue energy.

Stay in this moment. When you are ready continue with the prayer...)

We send Peace from within our hearts  
and share it with all in Love and Light.

We accept your blessings as we  
encourage all in awakening to inner Peace.  
We embrace your words to us, Divine Mother:  
"...feel Peace and encourage it in others.  
Continue to inspire others to find  
it within themselves. This is the path to  
true Peace."\*

We thank our Lord and Lady, Godde,  
for Their Presence in our magick circle.  
As we know Peace within, So shall we see it without.  
Blessedly Be Peace!  
So Mote it Be!

Lord and Lady of our hearts,  
we request your presence  
in this circle of Peace.  
Bless our prayers  
and our efforts as Peace Weavers.

For our Earth Mother  
we send healing energy  
by living from the heart,  
from Love.

For our world we send  
Peace energy  
by living from the heart,  
from Love.

For all life  
we send Peace  
by walking our talk,  
by living from the heart,  
from Love.

From the love within our hearts  
comes the power to heal Mother Earth  
and to live in harmony with all life.

May we always give love,  
and by doing so, feel joy and  
...know Peace within, without and throughout.

In gratitude for Your presence,  
Merry meet and merry part,  
and merrily may we meet again!

So Mote it Be!

Peace Prayer for Oct. 2009 ©Rev.T.Helton (Moonraven)

Blessed Mother/Father Godde,  
Source of all life,  
We invite you into our circle of prayer  
and invoke your powerful energies to blend with ours.  
In your name we invoke the presence of the Elements, blessed by Spirit,  
To witness our prayers for the highest good of all concerned.

In this sacred circle of prayer we focus upon a common goal , Peace.  
May Peace prevail in our world and on our planet.  
May we see Peace blossom in the physical plane (without)  
As it does in the spiritual plane (within).

Bless all with Peace and well-being.  
May we cultivate it within ourselves  
And in so doing, aid others in finding it within themselves  
That our Earth also may radiate with Peace and well-being.

As we go about the business of life,  
We continue to send energy toward Peace;  
May the weaving of our web of Peace extend throughout  
The planet and embrace it with Peaceful and loving  
Energy which continues to grow each day.  
May our web be strong like our magick.  
May Peace, love and well-being flow through it and to  
All in need.

May our web of Peace also act as protection  
Capturing any ill or bane intentions sending  
them to ground harmlessly in Mother Earth.

With Samhain approaching, the veil between the worlds thins,  
And we are open to the guidance and direction of  
Our Ancestors who forged the path of Peace and who stand  
As guides and Lights on our path.  
May we continue to honor their example and share Peace, unconditionally.

Bless all who pray, as we do,  
for Peace and the Healing of our  
planet and our fellow beings.  
We pray for unity of all beliefs.,  
And it is so.

As Peace is Above, So it is below..  
As Peace is Within, So it is Without.

Merry we meet, and merry we part,  
and merry may we meet again, in  
perfect love and perfect peace.  
In gratitude to Our Divine Source  
for your presence.  
May the Blessing be upon all.  
Blessed Be...

Blessed Godde,  
Divine Mother and Father  
Creator of all life,  
Our circle of prayer  
requests your Presence  
to join with Spirit  
in obtaining personal peace,  
Thereby radiating World Peace.

May those who have perceived  
us as their enemies  
be rendered harmless.  
May Mother Earth be restored  
in Perfect harmony,  
with all peoples living together  
as was intended to BE.

We call upon the Elements  
supremely designed,  
to center within our hearts,  
giving us deep peace  
and serenity.  
As within, it radiates without.

Let our Ancestors guide  
our steps toward Peace,  
may we Light the way for  
our Children, who are the future.  
May your web of Protection  
encircle us all, as we  
pray for the Highest Good  
of All Concerned.

In Gratitude, we praise those  
who have worked tirelessly  
toward our goal of Peace.  
As we continually learn  
the importance of Forgiveness,  
Let us DO so, with injustices  
placed in the past, where  
only distant memory resides.  
And so it is!  
So mote it BE!  
Blessed BE! Amen!

December Peace Prayer. Given by Rev. Theresa Helton (Moonraven) ©2009

Blessed Goddess and God,  
Divine Parents, we invoke  
your presence here to  
empower our circle of Peace with  
your Loving Light.

Bless all who gather, as we do,  
in prayer, meditation, and energy  
working for Peace.  
May our Light shine brightly  
on the path for all to see.

May we find within ourselves the Peace  
we want to see without, for  
this is the path to Harmony.

May we nurture the Love within,  
for this is the source of Peace  
and harmony, that will prevail.

Together, in perfect love and Perfect trust,  
we raise power for Peace.  
We release it to the Universe in our thoughts  
and breath and deeds;  
it's radiance emanates  
from every fiber of our being.  
We see all living in Peace and sharing  
equally, from Mother Earth's bounty in  
Oneness, and it is so.

May the gentle web of Peace embrace  
all that exists and flow with  
compassion sparking awareness of the  
Oneness that all share.  
May it inspire Peace in all hearts.

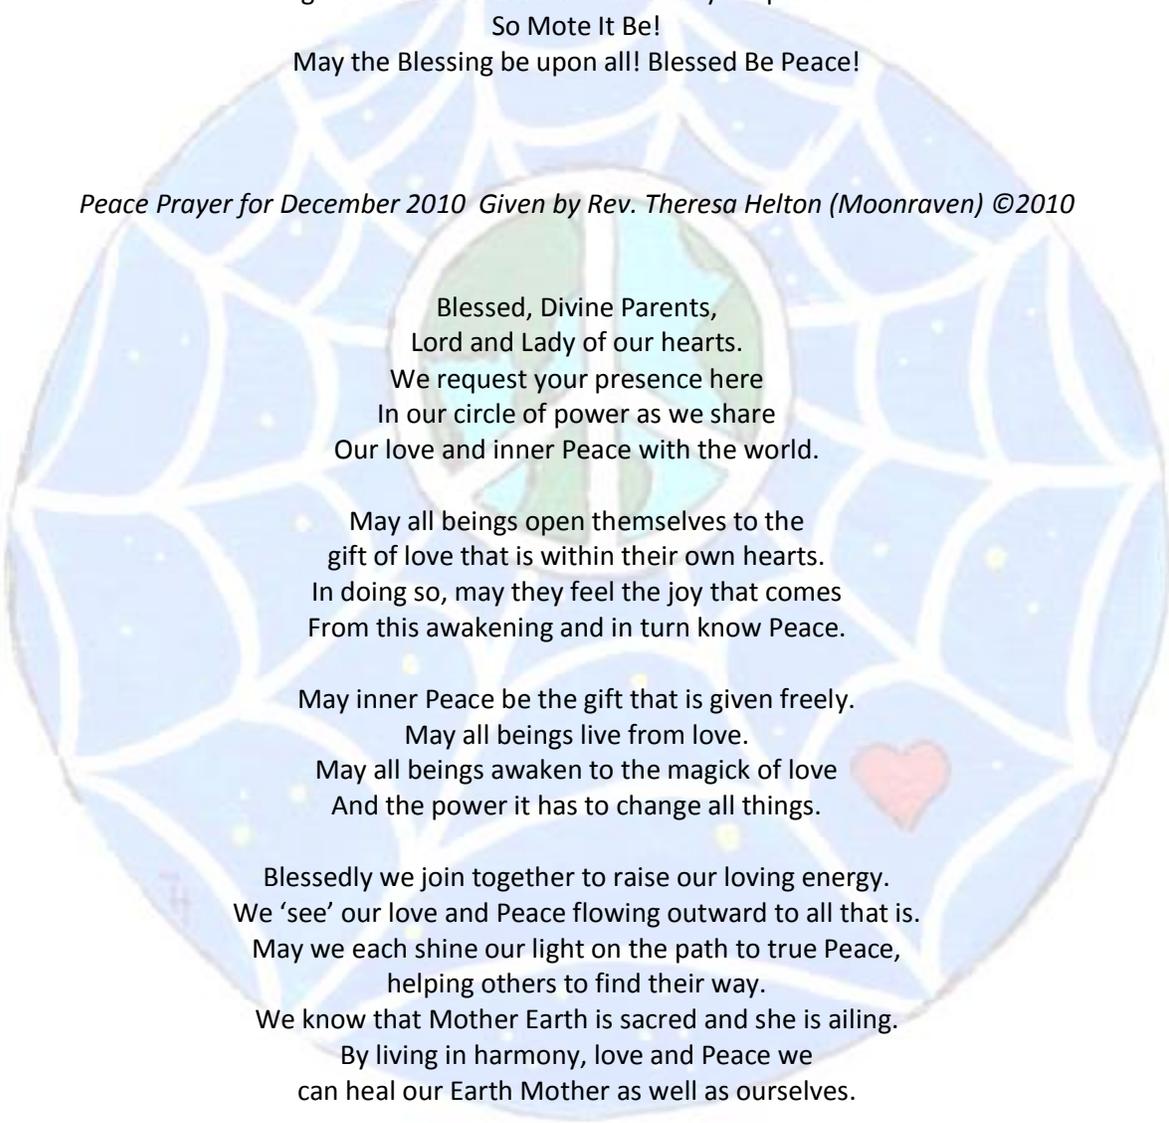

May our efforts here prove to honor  
You, our Divine Parents, and our beloved  
ancestors and foster Peace for the future  
of our children and our Earth Mother.

As Peace and Harmony dwell above,  
So shall it be below.  
As Peace and Love dwell within,

So shall it be without.  
We claim this for our world and our planet  
and it is so,

Merry we meet, and merry we part,  
and merry may we meet again, in  
perfect love and perfect peace,  
For the highest good of all concerned.  
In gratitude to our Divine Source for your presence.  
So Mote It Be!  
May the Blessing be upon all! Blessed Be Peace!

*Peace Prayer for December 2010 Given by Rev. Theresa Helton (Moonraven) ©2010*

Blessed, Divine Parents,  
Lord and Lady of our hearts.  
We request your presence here  
In our circle of power as we share  
Our love and inner Peace with the world.

May all beings open themselves to the  
gift of love that is within their own hearts.  
In doing so, may they feel the joy that comes  
From this awakening and in turn know Peace.

May inner Peace be the gift that is given freely.  
May all beings live from love.  
May all beings awaken to the magick of love  
And the power it has to change all things.

Blessedly we join together to raise our loving energy.  
We 'see' our love and Peace flowing outward to all that is.  
May we each shine our light on the path to true Peace,  
helping others to find their way.  
We know that Mother Earth is sacred and she is ailing.  
By living in harmony, love and Peace we  
can heal our Earth Mother as well as ourselves.

We pray that you bless our efforts as your children.  
We pray that we honor You, Our Divine Parents,  
As we continue in your service and in service to all who seek.

In gratitude for Your presence, guidance and Your love.  
Merry meet and merry part and merry may we meet again.  
In perfect love and perfect Peace.

So Mote it Be!Peace

Blessed Godde, Our Divine Lord and Lady,  
we request your presence in  
our circle of Peace to  
bless our efforts as Peace Weavers.

At this time there is much turmoil  
in our world and on our planet.  
May your Light of Peace grow  
from a tiny spark within each being,  
to a powerful flame born from the  
Love within each heart.

May I be a shining example of  
Living Peace in the world.  
May I live from the heart, from Love,  
and thereby encourage others to do the same.

May I always remember that the wish  
for joy in our world is also a blessing of Peace  
through Love.

May the flame of Peace warm  
the hearts of all.  
May I be a Light on the path to true Peace.  
I fill this prayer with the energies of Peace,  
From the Love within my heart.  
May the blessing be upon all!  
In gratitude for your presence in this Circle,  
Merry meet and merry part and merry meet again.  
So Mote it Be!

# A Childs Poem of Peace

©2008 Rev. Theresa Helton (Moonraven)

The sun shines like an orange

High above it glows!

It brings us warming energy

That helps the plants to grow.

The sun is just a big bright light

That rises every day

And lights the earth up brightly

So I can see to play!

The sun light is like peace

That rests on everything I see

I feel its loving energy

And it feels good to me.

I know that love is good for me

I know that peace is too.

I want everyone to feel the very

Same way that I do.

So I pretend that I can swallow the sun

And that loving light is in me!

I walk about and shine my light

For every one to see.

I let my love shine brightly

And send it every day!

And one day when the sun comes up,

In a world of Peace we'll play.

*"As above, so below.  
As within, so without.  
May all awaken to the Peace within,  
Share it with others,  
And thus begin the healing of our world and our planet."  
So Mote it Be!*
